Necessity and Opportunity !

by **Karl FALKENBERG**

Senior Advisor to the European Political Strategy Centre (EPSC) dealing with Sustainable Development

Invitation with details and electronic registration form will follow.

The lectures are delivered by distinguished expert speakers with various backgrounds. They are followed by a dialogue with the audience. Drinks and informal get together afterwards allow for networking and exchanges of views. The cycle of lectures is named after Aurelio Peccei (1908-1984), co-founder of The Club of Rome in 1968.
